Reviews

Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

Visions International Publishing, Canada, 2013. Paperback. Condition: New. 2nd ed.. Language: English . Brand New Book ***** Print on Demand *****. Do you truly enjoy your job and have the personal freedom and prosperity to perform your work any time you want? Or are you just a wage slave working eight hours or more at a boring job that barely pays the bills? It doesn't have to be that way. This unconventional career guide will challenge and inspire you to: * Create your own dream job or choose to be self-employed in an exciting micro-business. * Learn how to actively pursue the alluring rewards of your dreams without compromise or apology. * Find your own important mission, true calling, or passionate pursuit with which you can make a great living. * Gain courage to escape the corporate world so that you don't have to spend the rest of your life trapped in a cubicle. * Be creative and have fun in your work. * Adopt a work model that allows you to get up at noon and make money while you sleep. * Restructure your life so that it has meaning, direction, and joy. * Take charge of your physical, emotional, financial, and spiritual well-being. * Experience true personal freedom in all areas of your life. * Above all, get the most out of your life - personally and professionally! Career Success Without a Real Job is for those millions of organizationally averse people who would like to break free of corporate life so that they have complete control over their lives. Throughout the book you will read about several ordinary individuals who have attained extraordinary success without a real job. International best-selling author Ernie Zelinski, whose books have sold over 750,000 copies worldwide, also uses experiences from...
