It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have ever read through during my individual life and might be the finest publication for ever.

The honeymoon Ellie was so looking forward to suddenly becomes a vacation with Gina-her dearest friend-to Charleston, her favorite city. Within a month, Ellie loads up her beloved jasmine plant and moves south. Falling for Donovan Winthrop, the gallery owner and accomplished artist, isn t on Ellie s bucket list, but she can t help herself. He s gorgeous, sweet, and a true southern gentleman-or is he? Donovan has a few secrets of his own that he doesn t want to share. Revealing their secrets to each other is the only way they can move forward as a couple, but a wrench is suddenly thrown into their plans when Luke Baker arrives in Charleston, ready to make amends with Ellie and take her home. Ellie must decide whether to stay and begin a new romance or leave and slip back into the familiarity of an old one. Feeling torn, Ellie has a lot to think about-and two men waiting for her answer.
