Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Discover EXACTLY How to Look 10 Years Younger!!! Aging is natural and inevitable, but that doesn't mean you have to surrender to it. There are countless things you can do to slow the aging effects and disguise symptoms of aging. And no, plastic surgery is not an option in this book. You don't have to deplete your bank account or take extreme measures to knock ten years off your image. Believe it or not, the art of looking younger is easy to master when you've got the tools of the trade in your possession. Reversing time is as effortless as following seven simple steps. Youth is one of the most coveted features worldwide. It's the reason why plastic surgery is such a lucrative business. No pain, no gain is an adage that should never be associated with beauty and anti-aging. Why spend thousands on pain when you can get the same effects at home and feel good doing it? The most effective anti-aging solutions are virtually free and painless. There's no need for invasive procedures, expensive beauty creams, and unwanted side effects when you've got natural anti-aging treatments at your fingertips. No scalpels, no needles, no pain. Don't settle for the easy way out-go for natural anti-aging methods. If you want ideal results that naturally transform your age, target the root of the problem. If wrinkles are an issue, learn to both eliminate them and prevent them. Getting clear skin free of fine lines and age spots can be achieved. If it's your clothes, hairstyle, or body shape that's reflecting your age, change things up! This book explores all the amazing ways to...
