Something Rotten

By Jasper Fforde

Hodder & Stoughton General Division. Paperback. Book Condition: new. BRAND NEW, Something Rotten, Jasper Fforde, Thursday Next, Head of JurisFiction and ex-SpecOps agent, returns to her native Swindon accompanied by a child of two, a pair of dodos and Hamlet, who is on a fact-finding mission in the real world. Thursday has been despatched to capture escaped Fictioneer Yorrick Kaine but even so, now seems as good a time as any to retrieve her husband Landen from his state of eradication at the hands of the Chronoguard. It's not going to be easy. Thursday's former colleagues at the department of Literary Detectives want her to investigate a spate of cloned Shakespeares, the Goliath Corporation are planning to switch to a new Faith based corporate management system and the Neanderthals feel she might be the Chosen One who will lead them to genetic self-determination. With help from Hamlet, her uncle and time-travelling father, Thursday faces the toughest adventure of her career. Where is the missing President-for-life George Formby? Why is it imperative for the Swindon Mallets to win the World Croquet League final? And why is it so difficult to find reliable childcare?.

Reviews

Completely essential read publication. I am quite late in start reading this one, but better then never. You wont truly feel monotony at at any moment of your time (that's what catalogs are for regarding should you question me).
