Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Richard is an 8 1/2 year old boy who, like many boys of his age, simply hates reading. He views it as a waste of time - after all, there are plenty of other things that he could be doing . such as watching TV, playing on the Wii or on his Nintendo. But all this changes when his teacher gives him a special book. As he says I had to give it to you. It has your name on the cover! And it does. It s called Richard s Magic Book . Reluctantly, Richard takes it home to read . and is astounded to find that it really IS all about him! Before long, he meets a small elf called Nilbog who takes him on a series of magic adventures. The only catch is that, for the magic to work, he has to keep reading the book; however, the good side to this is that the book continues to be all about him and about his magical adventures. His adventures take him to the North Pole, where he meets Ralop, the Polar Bear; Under the sea, where he meets the mer-people and Krash, the shark; to Fantasy Land where he meets Nicornu; into his garden where he meets the ants and finally to an encounter with a giant called Ergo.
