AUTHORHOUSE, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Starting a network marketing business is ideal for those who want to achieve the status and qualifications of a self-made millionaire. This is a valuable tool for both new and experienced network marketers that reveals successful ideas and strategies. This invaluable guide contains three powerful chapters that will help you step by step to improve your marketing, economical, and personal development and influential skills. You will learn about the cash-flow quadrant, types of sales, what is network marketing and why someone should delve into it, goals setting, why someone should set goals and how to achieve them, finding prospects, proper invitations, proper presentation and information of the product/service and the business opportunity, how to follow up with your prospects, guiding them properly to decide, how to help them become customers or customers and distributors, how to help them get started right, how to guide them to their independence as quickly as possible, how to grow your organization and create momentum. The five essential educations for the accumulation of wealth! Dr. Neo wishes that those who are interested in professional network marketing would find this book valuable, practical, and helpful for their financial and personal future.
