## A BUSHELS WORTH: AN ECOBIOGRAPHY

Torrey House Press. Paperback. Book Condition: New. Paperback. 160 pages. Dimensions: 7.9in. x 5.2in. x 0.7in. In this love story of land and family, Kayann Short explores her farm roots from her grandparents North Dakota homesteads to her own Stonebridge Farm, an organic, community-supported farm on the Colorado Front Range where small-scale, local agriculture borrows lessons of the past to cultivate sustainable communities for the future. *A Bushels Worth* is my favorite kind of nonfiction. Not only is it about many topics close to my heart—gardening, food, family—it is a beautifully told story, and a love story at that, centered around the love of a couple, their love for the land, and a community's love for a way of life. This book forever changed my perspective and awareness as I walk out in my own garden. Katrina Kittle, author, *The Blessings of the Animals*—A heartfelt meditation on farm, food, and family. *A Bushels Worth* tells a love story of the land and a life spent caring for it. Hannah Nordhaus, author, *The Beekeepers Lament: How One Man and Half a Billion Honeybees Help Feed America*—Kayann Short shares a passionate and often lyrical account of how she and her husband John took their first brave steps toward revitalizing a small Colorado farm and with it their lives and the community they drew around them. This is a book about how agriculture continues to create culture when it is practiced with generosity, creativity and attention. It is an inspiring story, a gift for all of us, both on and off the farm, who are trying to learn how to slow down our frenzied lives so that we may give ourselves to what really matters. Gregory Spaid, author, *Grace: Photographs of Rural America*—With a companionable mix of literary and earthy sensibilities, Kayann Short writes...
