Reviews

A top quality publication as well as the typeface used was intriguing to learn. Yes, it is play, still an amazing and interesting literature. I discovered this publication from my i and dad suggested this book to learn.

(Prof. Louvenia Flatley)

Createspace, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The past makes order out of disorder; stories do the same. Thereafter is about the Is Not and principally based on the Serotonin System, Women, Greek Mythology, Parmenides, Socrates and Nietzsche. Thereafter is a novella told in two parts. Between each chapter there is a chorus. These are commentaries on the lives of the main characters: Sarah, Ice, Virginia, C-Hoop and Sunrise. Also, to frame the perspective, thereafter is an adverb and not a noun. This novella completes the political fiction trilogy that includes the novels hereafter (2006) and Parrot in the Atrium (2011). Brickner writes about christianity, constitutions and cannabinoids; he s the author of The Promise Keepers: Politics and Promises (1999), Article the first of The Bill of Rights (2006), co-authored The Cannabis Papers: A citizen s guide to cannabinoids (2011), and in 2013 is publishing The Book of the Is: A book on bridges. Articles, updates and books are available on the Bryan William Brickner blog. Bryan is from Illinois and currently lives in Michigan.
