

## Proof of God Within and Beyond Science (Paperback)

By Charles De Silva

Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. While extending a strong challenge to the superstition of atheism, the principal aim of this book is to demonstrate the fact that the major scientific discoveries that have been made so far, clearly and distinctively demonstrate the existence of an intelligent and omnipotent Designer who has thoughtfully and intentionally instituted all universal laws with stark precision and accuracy. In this discussion I have also emphasized the incapability of science to stand alone as a final deciding instrument on matters that extend beyond the natural realm. Hence no proof of a Divine Existence can be established by reference to science alone, but through logical reasoning based on obvious and explicit facts. I have also highlighted the reality that most scientific phenomena cannot be explained without recourse to the role of a Supernatural Power. In this book I have put forward a chain of very rational arguments most of which originated in my mind at various occasions and hence would be new and interesting to the reader who would be led towards the definite conclusion that this universe could not have been the outcome...
