Reviews

Totally one of the best publication I have got ever go through. It really is packed with knowledge and wisdom I discovered this pdf from my dad and i recommended this book to discover.
(Madisyn Kuhlman)

SIGNATURE WOUND: HIDDEN BOMBS, HEROIC SOLDIERS, AND THE SHOCKING, SECRET STORY OF THE AFGHANISTAN WAR

Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Every war has its signature wounds, injuries inflicted by frightening new weapons and tactics the U.S. military has never faced before. Blistered flesh from mustard gas in World War I. Petroleum burns from oil and gas igniting on the surface of the Pacific in World War II. And now, lost legs, hands, and most devastating of all, genitals, as a result of improvised explosive devices (IEDs) in today's war in Afghanistan. Men's Health contributing editor Bob Drury, a veteran reporter of both the Afghan and Iraq wars, delivers his most hard-hitting and important dispatch yet - the unforgettable accounts of U.S. soldiers who have suffered these very personal wounds. Their intense tales of battlefield survival are just a prologue to the unimaginable fights they face once they re stateside. This is essential listening for truly understanding what our fighting forces put on the line - and lose - every single day.
