Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.There is a Science of getting rich, and it is an exact science, like algebra or arithmetic. There are certain laws which govern the process of acquiring riches. Once these laws are learned and obeyed by any man, he will get rich with mathematical certainty. The object of all life is development, and everything that lives has an inalienable right to all the development it is capable of attaining. The plan of action laid down herein was deduced from the conclusions of philosophy. It has been thoroughly tested and bears the supreme test of practical experiment. It works! The men and women who practice these instructions will certainly get rich; and the riches they receive will be in exact proportion to the definiteness of their vision, the fixity of their purpose, the steadiness of their faith, and the depth of their gratitude. A note from author Bruce Van Horn: In today's culture of entitlement, victimhood, and scarcity mindsets, the preponderance of get-rich-quick schemes, and the abundance of misguided applications of the Law of Attraction and The Secret, this book serves as a beacon in the darkness. It speaks truth and wisdom, and offers hope to those who will read, receive, and follow its trustworthy guidance. The Science of Getting Rich, by Wallace D. Wattles, was written with a seemingly archaic language for a society that now seems like ancient history. The prophetic nature of this book makes it timeless and more applicable to this current culture-and to your life-than perhaps it was to those who first read it in 1910. Even before I finished reading this short book, a sense of great peace and clarity came over me. I...
