

Brainlines: The 7 Personality Types That Determine How We Love, Live and Work (Paperback)

By Donna Sheehan, Paul Reffell

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Years ago, I noticed my first wrinkles. My face was a physical record of a life spent in the California sun. Disturbing, yes, but what could I do to make myself feel better about them? My solution was to draw a self-portrait accentuating every wrinkle on my face. While drawing my forehead, I became curious as to why the frown lines between my eyebrows were of different lengths. I saw a deep, long vertical line on one side and another deep vertical line, only half as long, on the other. Why were they different from each other? Why were they so much deeper than my other wrinkles? From that moment on, I was fascinated by these wrinkles. Enthusiastically, I plunged into research and found that there were multiple formations. Some people, even the elderly, had no pattern of lines. Some children, even toddlers, had deep lines. Today I call them BrainLines. Comparing my friends BrainLines with what I knew of them, I began to see relationships between the differences in their lives and their BrainLines patterns. I began to find similar personality traits...
