And it is all done and the story is told as you practice your reading skills through repetition and rhyme and a lot of basic word recognition teaching techniques you won't even notice because you are having so much fun learning! Award winning author, attorney, illustrator and former teacher, Penelope Dyan, uses all of her skills to bring you this book full of her kid-friendly drawings (that she encourages children to go ahead and copy, along with the words in this book) to further enhance the learning experience, Children can always memorize words, but they also need to understand what they are reading, and they need to be able to relate to the words they are reading in order to truly enhance both reading comprehension and other basic reading skills; and this book with its extra large print endeavors to do just that, and all while having fun!.
