Vij Books India Pvt. Ltd., New Delhi, India, 2013. Softcover. Book Condition: New. A small cryptic ugly looking book hidden away in a small hill station when found by Megha turns her life around. Difficult to decipher at first the book begins to speak to her in ways she could never have imagined. What do the poems mean? Who wrote them? Why does the poet remain anonymous? She begins to understand the poems and her own life through the suffering poet who wrote them. The world is viewed through the cynical and warped sight of the poet as he deals with conformity, love, ambition, death and his reason for being alive. His battle against the great tree and his desire to have his wings again. Printed Pages: 148.
