There is no redemption for the damned An exciting, terrifying, controversial, and highly-provocative horror adventure novel. A thrilling tale of vampires, demons, and an enigmatic dark hero. The Story The Revenant was created to destroy Lilith s enemies and lead her vanguard at the battle of Armageddon. But there was one very serious flaw in his unholy perfection - a much higher power gave him a conscience. Not only must he battle against the terrifying creatures of the night, he must also fight to retain the last vestiges of his humanity and honour; otherwise, the beast inside him will take over completely. The Past He was the centurion who pierced the body of Christ with his spear. Damned for eternity, he carried the Spear of Destiny. He was seduced and turned by Lilith, The Queen of the Night. She made him her Revenant - a vampire of immense power. She used him to destroy her enemies. Firstly, vampire heretics who refused to worship her. Then innocent women and children. He rebelled and escaped her power. For centuries, he wandered the earth and fought in the wars of men. He met his soul mate, the beautiful vampire Carmilla. They lived together in peace, solitude, and contentment. The Present Now the vampire Lord of New York has tortured and killed his true love. Now Longinus will once again unleash the beast inside him and the full power of the spear. Now Longinus will bring down Lord Cervenka s vampire kingdom in a sea of blood and fire. But Lillith is watching and waiting, to reclaim what is rightfully hers. There is no redemption for the damned. Official Website Visit the official website...
