Who doesnt love a movie under the stars? It was a beautiful June morning. The birds were singing and the sun was shining. Collin was as happy as a boy his age could be. He knew it was going to be a great summer. He knew that there were a few guarantees that came along with the warm summer months. No homework, vanilla ice cream cones melting as he tried to eat them and going to drive-in movies! Collin couldn t remember ever even going to a regular movie theater during the summer, because his family always chose to go to the drive-in. Bring your crayons and join Collin and his whole family as they pack up the car and head to the drive-in movie!.
