Erb Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. If adventures will not befall a young lady in her own village, she must seek them abroad. Jane Austen Miss Otis regrets. The entirety of Miss Elspeth Otis s inheritance from her wastrel father is a battered old trunk with some scrawled-upon foolscap sheets. Nothing that could free her from a stifling life with her fusty maiden aunties in a musty old cottage in a misty corner of Scotland. Nothing that will give her the life she s always dreamed of-a life full of kindness and kisses and love. Or will it? Nothing. Mr. Hamish Cathcart wants more than anything to avoid the hasty marriage to a brewer s daughter his father, the earl, has arranged to revive his fortunes. Hamish s only hope is his failing publishing company, whose only asset is a scandalously banned book by an infamous, but unfortunately deceased, author. But when a new novel written by the same man lands on Hamish s doorstep, he ll go to any length to secure it-any length but love.
