Fujisan

By Randy Taguchi

BRILLIANCE AUDIO, United States, 2014. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. From acclaimed Japanese author Randy Taguchi come four unforgettable stories of redemption, discovery, loss, and remembrance anchored by one of the world's holiest peaks. Mount Fuji has been a source of spiritual inspiration since it was first ascended by a monk over a millennium ago. *Blue Summit* introduces a former cult member struggling to maintain his escape from a mountain monastery, seeking solace in the fluorescent lights of the convenience store he manages. In *Sea of Trees*, three teenage boys who share a fascination with the metaphysical confront the startling realities of death and despair on their final adventure together before parting ways for different schools. *Jamila* chronicles a privileged young man's descent into disillusionment as he works with a compulsive hoarder to clear her mess. And in *Child of Light*, a nurse struggles as she comes to terms with her role in the oft-brutal cycle of birth, life, and death. Throughout the stories, Mount Fuji stands sentinel even as it fades in and out of view watching and remembering as it always has.

Reviews

Basically no terms to clarify. It can be written in basic terms instead of difficult to understand. I am easily could get a enjoyment of reading through a composed publication.

-- *Dr. Hazel Ziemann IV*

This pdf is definitely worth getting. Better than never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
