

Hidden History of New Jersey at War (Paperback)

Filesize: 6.66 MB

Reviews

This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Trystan Yundt)

HIDDEN HISTORY OF NEW JERSEY AT WAR (PAPERBACK)

[DOWNLOAD](#)

History Press (SC), United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. The Garden State has made innumerable contributions to our nation's military history, on both battlefield and homefront, but many of those stories remain hidden within the larger national narrative. Perhaps the most crucial one-day battle of the Revolution was fought in Monmouth County, and New Jersey officers engineered the conquest of California in the Mexican War. During the Civil War, a New Jersey unit was instrumental in saving Washington, D.C., from Confederate capture. In World War II, New Jersey women flocked to war production factories and served in the armed forces, and a West Orange girl helped ferry Spitfire fighters in England. War came home to the coast in 1942 with the sinking of the SS Resor by a German submarine, but the state's citizens reacted by contributing everything they could to the war effort. Uncover these and other stories from New Jersey's hidden wartime history.
