Plum Leaf Publishing LLC, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The inspiration for Mostly Maxx came from small-town life in rural Indiana. Rural life was exciting for the author, Curtis Davis when he was a small boy. Life was full of playing all day in a large cardboard box, comic books, and riding bikes. In Mostly Maxx, Davis relates his experiences of learning life s important lessons; how to be a good person, how to be kind and how much joy family can bring. Each book includes two stories. In this second edition of the Mostly Maxx series, Maxx and his family share an evening under the stars on a vacation. Also, Maxx is growing up and he goes to school for the first time. The adventures of Maxx are meant to be shared with caregivers and the children they love. Other books in the series are Mostly Maxx: Maxx Catches a Fish and Maxx Rides his Bike and Mostly Maxx: Maxx s First Doctor Visit and Maxx the Lumberjack.
