Brand New Book ***** Print on Demand *****.DEBUNKING THE EVIDENCE BEHIND THE EVOLUTIONIST WORLDVIEW: Throughout the last half of the twentieth century, and now into the new millennium, the public has been fed a steady diet of anti-Biblical propaganda by an increasingly determined cadre of evolutionist scientists, educators and media outlets. The result of this concerted effort has been a shifting of public consciousness away from Biblical truth and into a new paradigm in which belief in some form of Darwinian evolution has become a Litmus test of acceptability in our society. But is this paradigm shift founded on legitimate scientific evidence? The answer to this question is a resounding NO. Over the last several decades, scientists in widely varied disciplines have refuted much of the evidence behind today s various competing evolution theories. The time has finally come to expose evolution for what it is: delusion. Kenneth Lawrence was born in British Columbia, Canada, where he currently resides. He has had an intense interest in science most of his life. A believer in Darwinian evolution for many years, Ken became a Christian at the age of twenty-three, but had difficulty accepting a straightforward reading of the Bible s account of origins for many years. In his late forties, Ken began to seriously investigate the scientific claims of evolution theory. Nearly a decade of personal research has resulted in an invigorated faith in the God of the Bible and in the writing of this book.
