Reviews

A brand new e book with a new perspective. Better then never, though i am quite late in start reading this one. I found out this ebook from my dad and i advised this publication to find out.
(Hailee Hahn IV)

SIDE EFFECTS MAY VARY

Balzer + Bray. Paperback. Condition: New. 352 pages. The Fault in Our Stars meets Sarah Dessen in this lyrical novel about a girl with cancer who creates a take-no-prisoners bucket list that sets off a war at school only to discover she's gone into remission. When sixteen-year-old Alice is diagnosed with leukemia, she vows to spend her final months righting wrongs. So she convinces her best friend to help her with a crazy bucket list that's as much about revenge as it is about hope. But just when Alice's scores are settled, she goes into remission, and now she must face the consequences of all she's said and done. Contemporary realistic fiction fans who adore Susane Colasanti and Jenny Han and stories filled with romance and humor will find much to love in this incredible debut. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
