ENVIRONMENTAL MANAGEMENT: PROCESSES AND PRACTICES FOR AUSTRALIA (PAPERBACK)

Federation Press, Australia, 2011. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. Increasingly industry, government and the community sees the critical need for environmental management. We have many techniques to manage specific parts of the environment, such as methods for controlling the salinity of ground water, and reducing energy consumption. However, rather than reacting to specific environmental problems, we also need tools to guide the many activities that take place in our society. These tools assess...
