The Sketchnote Handbook Video Edition: the illustrated guide to visual note taking (Mixed media product)

By Mike Rohde

Pearson Education (US), United States, 2013. Mixed media product. Condition: New. 1st ed.. Language: English . Brand New Book. This gorgeous, fully illustrated handbook tells the story of sketchnotes--why and how you can use them to capture your thinking visually, remember key information more clearly, and share what you've captured with others. Author Mike Rohde shows you how to incorporate sketchnoting techniques into your note-taking process--regardless of your artistic abilities--to help you better process the information that you are hearing and seeing through drawing, and to actually have fun taking notes. This special video edition includes access to 70 minutes of video tutorials where viewers can see the author in action, demonstrating drawing techniques discussed in the book. The Sketchnote Handbook explains and illustrates practical sketchnote techniques for taking visual notes at your own pace as well as in real time during meetings and events. Rohde also addresses most people's fear of drawing by showing, step-by-step, how to quickly draw people, faces, type, and simple objects for effective and fast sketchnoting. The book looks like a peek into the author's private sketchnote journal, but it functions like a beginner's guide to sketchnoting with easy-to-follow instructions for drawing...
