Peggy Patrick, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A widowed city girl, Laura Parker, never had a desire to leave her world of concrete and tall buildings until her young son, Andy, a cowboy wanna-be needed a happy get-away after the death of his dad. She agreed to head for High Point Dude Ranch near Jackson, Wyoming. Surely she could suck it up and take it for a few days. Jesse Brandon didn't appreciate this self-indulgent little floozy's appearance on his ranch, refusing to believe that she had no idea who he was. He certainly knew who she was! And young Andy Parker was another matter altogether. But when the dust cleared from the secrets of abuse and deceit, their only option was to surrender to the truth.
