THE REMOTE INFLUENCER 2 (PAPERBACK)

AUTHORHOUSE, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Remote Influencing is a branch of Remote Viewing. Remote Influencing (RI) is a powerful method of Healing, Manifesting, Personal development. RI has great potential as a tool to bring about positive changes to the world. RI could also be considered a form of psychokinesis PSK -Using the mind to affect the physical world. RI uses the mind to cause an effect on a person, event or situation. This book describes the system of RI that I have developed. From here on, I will refer to this system as RI. I believe in God and I also believe in Science. I would summarise this system of Remote Influencing as: A powerful system that uses the divine and our own personal powers, and then directs those powers with laser like intensity to our RI need. This book describes what RI is. I have also explained about RI and how it works. I also show you how to follow this system step by step so that you can become a Remote Influencer. We all have RI abilities and potentials within us. Remote Influencing is a system that is expanding and evolving just like the universe. If we are not open to change, we will not grow as people, and we will limit ourselves and the outcomes of our lives. I sense that Remote Influencing will mutate into other forms of RI also over time. I see RI as the key to unlocking the door to anything that we set our heart and mind upon. We decide upon our RI need and then we use RI to attain that desired goal. I also see RI as a very powerful tool to which we have been given access...
