GROUNDWOOD BOOKS, Canada, 2016. Hardback. Condition: New. Language: English . Brand New Book. Massive climate change has caused a winter that will not thaw, and it seems that the forces of nature have turned on humanity itself. But in the sleepy British village of Pateley, one special girl may hold the key to the earth s survival. Wyn, an orphan, has always known that she is different. Unable to feel the biting cold of wind and snow of Pateley s endless winter, she does what she can to blend in. But when mysterious figures start to appear in the village, insisting that she may have the power to restore order to the natural world, Wyn must look deep inside herself to face the secrets of her past that she has kept hidden even from herself. From debut author Kit Peel, Snow Summer is an immersive fantasy novel that expertly conveys the beauty of the natural world and its conflict with human development. A powerful allegory for climate change and global warming, it is nevertheless a timeless story, reminiscent of classics of the genre.
