### **Reviews**

*The most effective publication i at any time go through. This is certainly for all those who statte that there had not been a worthy of looking at. Its been printed in an extremely straightforward way which is merely soon after i finished reading this publication where basically changed me, change the way in my opinion.*

Salt Publishing, United Kingdom, 2012. Paperback. Book Condition: New. 214 x 138 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Martinis and fantastic breasts. A wild wedding hangover. Pink angora and instructing six women / to write tercets on snow. In lesbian love-poems, conversations, intimate jokes from a hundred parties, five prisons, and three beloved bars, Jill McDonough s second book tells where we live, and how: each day fresh with the gift of it. Fierce/nose-sting of tears, quick breath out of nowhere. Often frankly autobiographical, her poems are also peopled with others stories. Some are familiar - Cary Grant and Charles Darwin, Sappho and Hildegard von Bingen. Others we come to know: prison inmates Julie and Andrea, friends comforting in kitchens or riotous in the yard, the little Chinese lady from the Lucky Star kiosk. McDonough is honest with them: stitches their actual words into her poems, understands their motives and her own. This poetry is vivid with reality, even where the subjects are pictures: Mary in an illuminated Annunciation suspicious / in her lapis robes, her double chin doubting, perhaps / one eyebrow raised; or a small, unseemly Venus, hair in pearls holding the dead Adonis and furious at death and grief. Above all there are poems of love and desire - I, Jill McDonough, have something to declare: je t aime, je t adore, Josey - ardent, funny, and erotically charged: For better or worse. For root canal, for laughing on the high speed ferry to the cape. My mouth on your neck, say. My hand on your emerald-cut calf.
