Reviews

A brand new e book with a brand new standpoint. I have read through and that i am certain that i am going to gonna go through again once more in the future. Its been developed in an remarkably simple way in fact it is merely right after i finished reading through this book in which basically modified me, modify the way in my opinion.

SAGE Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Designing Research Questionnaires for Business and Management Students, Yuksel Ekinci, Part of SAGE's new Mastering Business Research Methods series, conceived and edited by Bill Lee, Mark Saunders and Vadake K. Narayan. The series is designed to support business and management students with their research-based dissertations by providing in-depth and practical guidance on using a chosen method of data collection or analysis. The books are written in a concise and accessible way, and contain a range of features, including checklists and a glossary, designed to support self-guided research. In Designing Research Questionnaires, Yuksel Ekinci guides you through origins, types of questionnaire, basic components, types of questions and properties of measurement scales, how to design a questionnaire, sequence of questions, layout decisions and pilot testing, examples and strengths and limitations. View the complete list of new and forthcoming Mastering Business Research Methods series.
