Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Dear Reluctant Realtor, Although I suppose some of you know-it-all s are peeking around, and their must be some out there who have mastered it as I have (but you didn t write a book NOW did you?)-- the majority of you, however, are reluctant and wondering what the hell you are getting into. Well, this BUD, i mean, BOOK s for YOU! Here are some helpful suggestions you ll get by reading this book: 1) It s always a good idea to live life with humor. Balls, that is. It takes balls to negotiate a successful transaction, dealing with both the Seller(s) in crisis, and the Bank(s) (\$8 an hour) loss mitigators. Prepare. Drink milk. Do whatever you have to do. Convinced? I thought so. Just remember: sometimes you CAN judge a book by its cover, or in this case, it s tremendously well designed cover. You hold in your hands the most unique and entertaining guide to short sales ever written (although, i AM my BIGGEST fan). A no-nonsense, tough-love guide for savvy...
