# Eureka!

By Walker Royce

Morgan James Publishing llc, United States, 2011. Paperback. Book Condition: New. 231 x 152 mm. Language: English . Brand New Book. English has more than a quarter-million words. We have many, many options for word selections, sentence structures and paragraph styles. So much opportunity to be creative. So many alternatives to fine-tune your thoughts. So many opportunities to go astray. English is a wonderfully diverse language. If you ask fifty different people to describe an object, an event, or an idea, you will get fifty different perspectives, each articulated with distinct words and style. There are no absolutes -- no best writer, best speaker, best style -- and no best words. However, there are patterns and principles of English usage that are generally persuasive, and misuse patterns that are generally ineffective. Diversity of thought and communications are critical to teamwork, to achievement in the workplace, to teaching, learning, and parenting, and to growing our networks of friends and family. The perspective from which you attack a problem, tell a story, listen to someone else's position, or write a message is important to understanding the solution, the moral, or the point. If you are capable of looking, reasoning, and hearing...
