At a critical point for both women, their paths intersect and a journey begins that will change them. Having left corporate America, Mara is a weaver who is ready to move forward in a new direction of her life. She learns to trust her own intuition as she develops her skills as a Weaver of the Light, bringing together threads of spirit, family, friends, and soul to help those transitioning in their lives. Jesse leads an independent, self-directed life. She has had to make difficult choices again and again. This friendship with Mara changes everything for her as she is undergoing the most important transition in her life when she receives a diagnosis of cancer. She learns to trust and open herself to those she loves. In the end, the three generations of friends, partners, mothers and daughters weave together a tapestry of hope, of sharing, of willingness to be vulnerable and ultimately, a place of strength from love.
