## EVANGELIO DE MARCOS

SIGLO XXI EDITORES, 2018. Condition: Nuevo. Este libro se propone presentar al lector, con la mayor concisión y claridad posibles, la hazaña redaccional del autor del Evangelio de Marcos al servicio de la apologética del mito de Cristo como matriz de la fe de la Iglesia, desalojando o debilitando para ello, en la tradición inicial de la comunidad escatológica, los testimonios del ministerio y del magisterio de Jesús como agente mesiánico judío que anunció la inminente instauración en la tierra del Reino prometido por Yahvé al pueblo elegido. En la fractura incurable entre el Cristo de la fe y el Jesús de la historia se sitúa la radical tergiversación de un legado que habría de generar una nova religio de naturaleza constitutivamente híbrida y ambigua, tanto en sus doctrinas como en su función ideológica, y animada de una pugnaz vocación universalista aún poderosamente activa y sinuosamente efectiva en la sociedad de hoy. Esta exposición del texto de Marcos completa y sintetiza los rasgos básicos de la génesis del cristianismo y de la construcción del imponente edificio de la Iglesia como institución de poder, tal como se ofrecen en Ideología e Historia. La formación del cristianismo como fenómeno ideológico y en Fe cristiana, Iglesia, poder (libros también publicados por Siglo XXI de España Editores).Gonzalo Puente Ojea, miembro de la Carrera Diplomática y Embajador de España, representó a su país ante la Santa Sede entre los años 1985 y 1987.
