# 86 DAYS IN GREECE: A TIME OF CRISIS

DOWNLOAD

English Hill Press, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. Here is an insider s view into the social, political, economic, and cultural dimensions of the crisis in Greece. 86 Days in Greece provides us with a unique, impressionistic, and philosophical account of one of the most important moments in Europe today. Without the conventional structure of theoretical assumptions and academic rhetoric, this work brings us as close as we can come to the Greek people, their understandings, trials, and obstacles to future reforms. Taso Lagos has written a book in diary form that documents the crisis from a personal, interdisciplinary 360-degree perspective, and it should be required reading for all those interested in the European situation today. ----Professor Christine Ingebritsen, Director, Center for West European Studies; Chair, Hellenic Studies Program, University of Washington.
