Reviews

It is just one of the most popular ebooks. It usually fails to price an excessive amount of. You will not really feel monotony at any moment of your time (that's what catalogues are for about when you check with me).

A man consumed by guilt. Can two lonely souls find a common ground and pave a path to love? Grace Jennings knows how to survive, but she's learned long ago not to trust anyone, least of all a man. Sent west on an orphan train with her sister, Grace finds herself adopted into an unimaginable situation. She will stop at nothing to find and reunite with her sibling, and keep her safe from the man who is out to exploit homeless young girls. Levi Colter is a loner by choice. Haunted by the guilt of his sister's death, he escapes into the mountains with his grief. Living an isolated life protects him from the heartache of losing those closest to him. When a stubborn young woman and a couple of runaways seek shelter at his cabin, Levi's solitary existence is turned upside down. Thrown together unexpectedly, Grace and Levi are forced to put old hurts aside and confront their deepest demons. Can two people with troubled pasts let go of their guilt and mistrust, and learn what it means to open their hearts?.
