

David Hurwitz: An Owner's Manual (Mixed media product)

Filesize: 2.13 MB

Reviews

Very helpful to any or all category of folks. It is written in simple phrases rather than difficult to understand. It has been developed in an exceptionally simple way and is particularly just after I finished reading this pdf in which basically transformed me, modified the way in my opinion.

Hal Leonard Corporation, United States, 2004. Mixed media product. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. (Unlocking the Masters). Since Gustav Mahler was rediscovered in the early 1960s, his symphonies have become arguably the most popular works in the modern orchestral repertoire. Mahler s Symphonies: An Owner s Manual is the first discussion of the ten completed symphonies (No. 1-9 plus The Song of the Earth) to offer music lovers and record collectors a comprehensive overview of the music itself, what it sounds like, how it is organized, its form, content, and meaning, as it strikes today s listeners. The book caters to the novice as David Hurwitz describes what the listener will hear, section by section, using simple cues such as important instrumental solos, recognizable tunes, climaxes, and other easily audible musical facts. He explains how each work is arranged, how the various parts relate to each other, and how one work leads to the next. It describes the emotional extravagance that lies at the root of Mahler s popularity, the consistency of his symphonic thinking, the relationship of each work to its companions, and his dazzling and revolutionary use of orchestral instruments to create an expressive musical language that is varied in content and immediate in impact. The accompanying CD contains recordings from Symphony No. 1, Third Movement; Symphony No. 2, First Movement; Symphony No. 5, Third Movement; and Symphony No. 7, Second Movement: Nachtmusik I.
