Reviews

This ebook may be worth getting. I actually have read through and i am sure that i am going to likely to read through again once more down the road. You will not sense monotony at whenever you want of your respective time (that's what catalogues are for relating to should you check with me).

(Mr. Golden Flatley)

ENCOUNTERING FOREIGN WORLDS - EXPERIENCES AT HOME AND ABROAD: PROCEEDINGS FROM THE 26TH NORDIC CONGRESS OF HISTORIANS, REYKJAVIK 8-12 AUGUST 2007

Haskolautgafan, Iceland, 2007. Paperback. Book Condition: New. 206 x 147 mm. Language: English . Brand New Book. Encountering foreign places, peoples, objects and ideas is not a new phenomenon, although it has become a growing part of modern life. Throughout the ages people have travelled the globe and encountered foreign worlds. In these encounters, they had to adapt to new physical and mental environments, but in the process of dealing with the foreign they transformed both the environments and themselves. Familiar daily home life has also long been marked by, and is increasingly filled with, signs and images of the foreign world abroad. The papers in this session investigate how people of the Nordic countries have interacted with, experienced, and handled foreign things and people either abroad or at home from the 18th century till today. They deal with different aspects of foreignness, but focus especially on how people encounter, perceive and create foreignness. The four main themes are the consumption of foreignness, how foreignness is exhibited, the role of science and travels in creating foreignness, and finally how foreignness is handled and plays a part in the cultural encounter of mission and aid-work.
