Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from **A Critical Pronouncing Dictionary: And Expositor of the English Language** That a polite pronunciation is an essential part of a genteel and liberal education, is incontestable; and whoever smooths the way to an acquirement so desirable and important, does a real service to society. This subject has employed the pens of many learned and ingenious men, who laboured with various degrees of skill and success: The rules they laid down, and the analogies they pointed out, had reduced English pronunciation to something like system. The late Mr. Walker, author of this Dictionary, exerted himself more earnestly and perseveringly than perhaps any of his predecessors: he compared the different orthoepists with indefatigable attention, weighed their reasons with critical justice, and modestly pronounced his decisions with a confidence which a lifetime's familiarity with the subject entitled him to assume. Mr. Walker's Pronouncing Dictionary, and the Principles prefixed to it, are master-pieces of their kind, and seem to have fixed English pronunciation, which had long been fluctuating and unsettled. This opinion plainly appears to be that of the Public, the work having gone through four large editions in the course of a few years. The Author not only improved each new edition with respect to orthoepy, but added a considerable number of words not found in any of our Dictionaries, as well as some of his own forming, that were evidently both proper and useful. This work, after so many degrees of improvement, was thought worthy of being Stereotyped, in order to give stability and permanence to the pronunciation of a language now spoken in most parts of the known world. Having been many years intimately...
