AUTHORHOUSE, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.With her drum and the Songs of Intention and Celebration author Tritia Hamilton has been keeping an appointment with the sunrise each morning for more than seven years. The songs beckon, smooth the pathway and celebrate our arrival into the New Garden Earth. From an island on the coastline of Maine to the high desert in the American Southwest and back to coastal Maine once again, Golden Pebbles traces an adventure of discovery which began while journeying to the sound of a Native American drumming rhythm. It was a journey from which I emerged astonished. I heard singing, I said to the drummer. You heard the voices of the ancestors, he replied quietly. The ancestor voices stirred a memory into the past, and into the future -- multiple layers converging in now. Eventually there were songs to sing -- to the heartbeat rhythm of the drum. Golden Pebbles is the story behind the ceremonial songs, the sunrise drumming ceremonies and the joyful radiating of a cohesive intention and direction. The lyrics for three dozen Songs of Intention and Celebration are included in Golden Pebbles. For more information about the songs, see:
