

The Sunni-Shi'a Divide: Islam's Internal Divisions and Their Global Consequences (Hardback)

Filesize: 5.44 MB

Reviews

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where it basically altered me, change the way I believe.

Potomac Books Inc, United States, 2013. Hardback. Condition: New. Language: English . Brand New Book. Until the attacks of September 11, 2001, few Americans knew anything about Islam, let alone about the distinctions between Sunni and Shi a, the Sufi and Wahhabi, the origins of the Holy Qur an and Shari a law, and the respect that all Muslims, even secular ones, harbor for the prophet Muhammad, his family, and Islamic traditions. In *The Sunni-Shi a Divide* Robert Betts traces the tortuous history of Islam s sectarian divisions, emphasizing the most important one, the Shi a departure from Sunni orthodoxy. Although the majority of Muslims remain faithful to the Sunni sect of Islam, approximately 15 percent subscribe to the Shi a creed. As America s involvement in the Middle East drags on, Betts reiterates that policymakers, scholars, and laymen alike must understand the many faces of Islam, the internal forces in the United States that have brought us into these military conflicts, and the role of Israel in the region s escalating tensions. How the increasing hostility between the two main Islamic factions plays out on the world stage - as Sunni Turkey, Shi a Iran, and their allies vie for dominance - is of major consequence for everyone, especially financially strapped Europe and the United States.
