THE CAYMAN ISLANDS

Condition: New. Publisher/Verlag: Springer Netherlands | Natural History and Biogeography | In the course of the last century a considerable amount of scientific work has been carried out in the Cayman Islands. The results of this (outlined in Chapter 1) are widely distributed in unpublished reports, university theses, various scientific publications and books, many of these sources being difficult to find and some now unobtainable. The purpose of this book, therefore, is to bring all this scattered information together and to...
