TRAVELS WITH MARIE: OUR ISLAND ADVENTURE

Tate Publishing Enterprises, United States, 2011. Paperback. Book Condition: New. 221 x 53 mm. Language: English . Brand New Book ***** Print on Demand *****.We flirted a lot, dated creeps and losers almost exclusively, and watched our classmates fall in love with the non-creeps and losers, and get married in big, beautiful fairy-tale weddings with annoying regularity, while we stood around in whatever hideous bridesmaid dresses had been selected for the occasion. We finally decided at the ripe old age of twenty, that true love was a myth, and who wanted a couple sex-crazed Neanderthals draped over our bodies trying to grope us the minute the lights went out anyway? Well. Marie and I began looking more favorably upon the virtues of a really good grope. But then, in our third year of school, something wonderful happened. It was a Saturday morning. We were going through some design layouts in the front room of the place we were renting, when we noticed a red convertible pull up right in front of the house. A tall, nice looking young man unfolded himself from the tiny car and stood there on the street, looking up at the house. From the way he was dressed, it was clear he was a student. He was outfitted in loafers, khaki slacks, a button down shirt and casual sport coat. A pair of sunglasses completed the look. To our utter amazement and joy he walked right up to the front door and rang the bell. Marie catapulted across the room and opened the door. .and that s just the beginning of the Travels with Marie. Follow the pair of friends from small town to Hawaii. You ll be sure to laugh the whole way!.
