INK AND STONE: A COLLECTION OF POEMS (PAPERBACK)

AuthorHouse UK, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The experiences of a young poetess and artist coming from the age of war and universal deceit are transformed into battles of thoughts and quietly drifting images, only to set the mind on a visualization and sensation time-bomb. The clashes of imagery harmonized with her expression present a depth that can only be witnessed by the movement of a painter s brush or a sculptor s fingers. Through her multi-artistic vision and multi-cultural background, Laure Keyrouz makes it easier to grasp a certain notion or tone of expression, and so it feels almost like watching art rather than reading it. I and you ink and stone. A blind winter knitting our breaths with the scythe [...] We stand with spider masks, Valleys blushing at our rumbling, The prayer kneels amongst us, A harp buries our bells, Exploding from a bird s hideaway Concealing its throat on a wooden board, And the rain shower fearlessly eating into our past.
