Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. If ever there was a man who possessed a gem in the form of a daughter of nineteen, that man was Samuel Ravenshaw; and if ever there was a girl who owned a bluff, jovial, fiery, hot-tempered, irascible old father, that girl was Elsie Ravenshaw. Although a gem, Elsie was exceedingly imperfect. Had she been the reverse she would not have been worth writing about. Old Ravenshaw, as his familiars styled him, was a settler, if we may use such a term in reference to one who was, perhaps, among the most unsettled of men. He had settled with his family on the banks of the Red River. The colony on that river is now one of the frontier towns of Canada. At the time we write of, it was a mere oasis in the desert, not even an offshoot of civilisation, for it owed its existence chiefly to the fact that retiring servants of the Hudson s Bay Fur Company congregated there to spend the evening of life, far beyond the Canadian boundary, in the heart of that great wilderness where they had spent their working days, and on the borders of that grand prairie where the red man and the buffalo roamed at will, and the conventionalities of civilised life troubled them not.
