EQUILIBRATS I DESCALÇOS

ANGLE, 2018. Condition: Nuevo. Angela J. Hanscom, terapeuta i fundadora del premiat programa d'activitats a l'aire lliure TimberNook, proposa recuperar el contacte amb la natura i el joc a l'exterior com a part imprescindible del desenvolupament físic i psicològic dels nens, amb enormes beneficis en les relacions personals i la conducta. Hi descobrireu petites coses per fer en qualsevol lloc i moment, fins i tot en entorns urbans, i facilitar, així, que els nens siguin autònoms, creatius i estiguin sans en ment, cos i esperit. El joc a l'aire lliure millora la motricitat i les habilitats emocionals i cognitives, reforça el sistema immunològic i incrementa la seguretat en ells mateixos. Equilibrats i descalços és un llibre dirigit a pares i educadors, amb un plantejament innovador sobre l'educació dels nens a la natura i que inclou consells i propostes d'activitats.
