From the author of The Miracle Self here is a loving and gentle book which takes the spiritual student by the hand and walks him or her page-by-page through the experience of spiritual awakening. It is precise and clear, encouraging and inspiring, resulting in tangible harmony for the devoted truth-seeker. Includes 50 pages of chapter-by-chapter Meditations Wisdoms. There is just God, just truth, just infinity, just wholeness and completeness of all everywhere present. Because God is one being oneness, omnipresence being omnipresent, it does not and cannot change its substance, form, character, nature, presence into something it is not. Oneness, omnipresence is itself alone, and forever...
