Also helping women realize their self worth in knowing who they are as a person and as a virtuous queen that God has planted within them. A woman is not a punching bag or a slave, but is a queen designed and wonderfully made for a king. Women are the strong backbone of men through prayer, support, love, and by helping keep things together before they fall apart. Women are strong vessels of God and he has empowered and equipped us to not let the world conquer us but for us to conquer the world. Don t allow your man to abuse you, you are worth more than what he is saying and doing to you. If you don t have the strength to leave, seek God and he will give it to you. God will cover you and protect you from the violent ways of your abuser. Don t be afraid, you ve got to make a choice rather you are going to live or die. I chose life, I found an exit and so can you. The amazing thing is that I m still alive to tell the story. Women will also learn how to break free from the spirits that have festered from domestic violence that has kept them bound for so long. Through reading every woman will become resurrected through power, faith, and wisdom.
