

Infertility - Beating the Odds and Doctors: Infertility Memoirs and the Path to an Infertility Cure (Paperback)

Filesize: 1.24 MB

Reviews

The best book i at any time read. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this book to understand.

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. David Johnson and his wife Traci experienced the path a lot of couples walk: prevent pregnancy for several years, say yes to having a baby, wait and hope, wait and hope, go to doctors, take tests and more tests, produce humiliating samples-until the dreaded verdict infertility is pronounced in a doctor s office. Meanwhile, friends became pregnant with ease, relatives asked intrusive questions, and co-workers wondered why the couple needed so much time off from work. The Johnsons faced a choice of three doors: expensive, no-guarantee IVF (in-vitro fertilization), adoption, or childlessness. After a doctor blithely dismissed the possibility that vitamins or food could improve David s extremely low sperm count, the Johnsons decided to ignore the doctor s conclusion, intensified their research, and came up with a plan. They embarked on a natural path to parenthood that included a healthier diet, acupuncture, and a relaxing vacation that was cheaper than one IVF treatment. David Johnson details each component in a process that resulted in exceptional success: three beautiful daughters conceived naturally.
