Virtualbookworm.com Publishing, United States, 2005. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.This is the moving story of three Georgia families who, in the post Civil War 1870s, sought a better life in the then-primitive central Florida Lakes region. You will be moved by the touching love story of Ida and Caleb who chose to begin their marriage as pioneers in this new and untamed land. They enticed an unforgettable Mose and his Miz Zenobia to move to Florida with them to help their new venture. They deeded land to Mose on which to build his family a home and on which to grow his own citrus. To Mose it was an opportunity to make enough money to educate his numerous children and to free his family from the historic bonds of slavery. You will experience an 1870s Florida which vns beautiful and filled with indescribable wonders. You will laugh with these families as they encounter numerous colorful characters and as they experience their first views of their new and wondrous world. You will weep with them as they experience personal tragedies and the wrath of the elements. But try as you might, you will never forget them, or Samuel the mule.
