ALICE BLISS

Pan MacMillan, United Kingdom, 2012. Paperback. Book Condition: New. 197 x 130 mm. Language: English . Brand New Book. This story of friendship, love, grief and growing up will yank on the heartstrings. And then some Look Alice Bliss is fifteen. She s smart, funny, and clever. Not afraid to stand up for the things she believes in. She also idolizes her father, and when he leaves home to fight a war she doesn t believe in, Alice is distraught. She and her mother negotiate his absence as best they can -- waiting impatiently for his letters, throwing themselves into school and work respectively, bickering intermittently and, in Alice s case, falling for the boy next door -- but then they re told that he s missing in action and have to face up to the fact that he may never return. A powerful coming-of-age story of love, family and grief Big Issue I put down this book and thought, there is no one like this girl, so fully has Harrington brought a new Alice to life Sarah Blake, bestselling author of The Postmistress Compassionate and intelligent .strong storytelling and a rich emotional core Jenny Downham, author of Before I Die.
